To

The Muzrai Superintendent,
Government of Mysore,
BANGALORE.

Recd 10/2/21.

CR 441 from FEB 1921

The applicant respectfully begs to submit as follows:-

1. That his father the late Boppannanavara Basappa constructed a spacious Temple at Sarabandepalya in the Kasaba Hobli, of the Bangalore Taluk, at an initial cost of over Rs.25,000/- and got there installed the Goddess of Banashankari, the Tribal Diety of several thousands of devotees of the Hindu Faith. This, was done with a pious motive of meeting the Holy want of the many devotees of this Province who could ill-afford to travel all the long distance to the Village of Badami in the District of Bijapur of the Bombay - Presidency.

2. That the benign Government of His Highness the Maharaja realised the usefulness of the institution and recognised the benefactor's meritorious services to the public, by honouring him with Khillat and Certificate at the Dassara Session of 1915

3. That on the death of the said Boppannanavara Basappa in 1918, his son Somanna Setty (One of the Bench Magistrates of the City) has been managing the Templeaffairs and it is needless, to say that it has met with the approval of all the devotees till now and a personal inspection of the institution will convince any person that the management has been entirely satisfactory

all through, while the generous Government has also sanctioned a cash payment of Rs.8/- a month in their order No.G.2590-93/Mhz.419-18-2 dated 24th December 1919.

4. The Temple is located within the prximity of the City Municipal Limits, on the High Road to Kankanhalli at the 2nd Furlong-stone of the 5th Mile from Bangalore. Hence a large number, of Bhakthas is always to be seen going there to offer their devoted prayers and worship to the Goddess of Banashankari, on Tuesdays and Fridays in particular. The minimum cost of meetir the Naditara expenses ranges from Rs.25/- to Rs.30/- a month, to meet which, this applicant has deposited Rs.-5,000/- with the Government with a request that the interest on the amount might be utilised for the services of the Institution every year.

5. That this applicant found it extremely hard to meet the growing expenditure of the Institution - being singlehanded and prayed that the cash grant may increased and the term of the grant be also made permanent, and the petitioner submits that he has met with no success till now.

6. That wherefore this applicant respectfully begs that the question of increasing the present cash allowance be reconsidered and early orders passed by your honour recommending a reasonable amount being allowed to enable the applicant to maintain the Institution at its present level of efficient utility to

the thousands of the devotees that attend the temple from within and outside the Province.
